

## 2022 - January Letter to NARFE 256 Members

Happy New Year to all of you NARFE 256 Members. We are sadly struck by the furious fire storm that has seriously affected our fellow NARFE members and Coloradoans in the Boulder area. There is little consolation that can be given that compensates for the loss of life or repairs the lives, property, hopes and dreams for our and their many friends, relatives and colleagues. We barely can imagine the myriad aspects of the fire that they are experiencing. If any of you can help in any way, I certainly encourage you to do so.

Chapter 256 will hold its **annual meeting on January 17, 2022** at the usual time, 11:30 AM, and place, the Elks Club. We will have Marian Wellman from Legacy Tax LLC to update us on tax changes for 2021. Following that, our Chapter will have its Annual Meeting and hear from your elected officers. Please join us to hear that information and discuss important issues. Among other things to be discussed, we have had to raise our meal price to \$15.00, heavily subsidized by the Chapter.

We are in a surge of the COVID19 variant Omicron in our area. We are all well vaccinated and boosted. However, I encourage all of us to wear masks and socially distance ourselves as possible in all our settings. Please be safe and stay safe.

Again, I wish you a Happy New Year and invite you to join your fellow Chapter members on **Monday, January 17, 2022** at the Elks Club.
