

NARFE Chapter 256 Program

October 19, 2026

Title: Introduction to CASA of Larimer County;
CASA (Court Appointed Special Advocates for
Children).

Overview: A brief history on how CASA started and how it has grown over the years, the three programs that serve our community, and wrap up with information on the many ways someone could get involved with our organization.

Presenters: Cassie Maschal, CASA Program Manager; and Carolyn Murphy, Development Manager

BIO: Cassie started at CASA Of Larimer County this past summer after moving to the area from Tyler, Texas. At CASA of Larimer County, Cassie's role is to see that the Court Appointed Special Advocate program is running smoothly and always striving to reach the goal of being able to appoint and advocate to every child that is involved in a dependency and neglect case within Larimer County. Her favorite part of her role is witnessing the volunteers' advocacy build a child's trust and resilience after they have experienced trauma.

BIO: Carolyn joined CASA of Larimer County in

January after moving here from Washington state. Carolyn's job is to help spread the word about CASA's mission, build relationships in the community, and work to bring in donations so our programs can keep growing. Carolyn loves being part of a team that stands up for children and helps them feel safe, heard, and supported.

The meeting format is: doors open by 11:00, with a buffet lunch from about 11:30 until 12:00, followed by a guest speaker from 12:00 until about 12:45, and then a short business meeting until 1:15 adjournment. The cost for lunch is \$10.00 per person for now, (with the chapter subsidizing the rest).
